Matters arising from November minutes

- The minutes were accepted by Petrina and seconded John M.

Matters Arising

- It was debated that half plots should not be given out and that plots should be whole. Most committee members agreed that when people get a new plot they are often full of enthusiasm, then often begin to lose interest when the novelty wears off
- It was decided that plot 19 former plot holder be given her £10 refund for key
- The web site was discussed
- Council have informed us that the rents are to be billed directly to the plot holders

Correspondence

- There was no correspondence.

Membership Report

- There were no applications for this month

Secretary's Report

- Nothing to report as this is such a quiet time of year

Treasurer's Report

- On separate sheet

AOB

- There was much discussion among the committee members regarding those plot holders who have half a plot and have passed probation then decided they would like to have a larger plot. As it stands the committee have formerly discussed this at other meetings and the decision was made that if every time existing members asked for to have any plots that become vacant go straight to the top of the waiting list it would be unfair on those who had often been waiting for as long as 2 years on the waiting list. There was no agreement on the matter.

The next meeting will be held on Sunday 11th March at 11am
