Present - Daniel Barrington, Joe Roper, Colin Langeveld, John Morris and John Byrne

Apologies – Terry & Eddie Wilson

Minutes of Last Meeting – the minutes were agreed as a true record.

Matters arising from the minutes – Daniel said that minutes hadn't been going on the notice boards or the website for a while now. We will now make sure that after minutes have been agreed as a true record they will go on the notice boards and website.

Correspondence – We had a request from Plot 1A to keep bees on there plot. We did give this plot out a few years ago to someone who wanted to keep bees as it was felt this was an ideal location. We agreed to give permission to keep bees on the plot as long as they have membership of the Beekeepers Association and the appropriate insurance.

Membership Report –

2 new members from Waiting List to ½ P13 and 1/2P 71A, on 3rd Feb, rents paid.

2 people on list no longer want plots.

1 person did not respond to phone/letter in past 4 weeks.(deleted from list)

There were no new applications for plots in January.

TOTAL ON WAITING LIST = 40

In the near future I will be giving out the remainingvacant plots:

½ P 20B, ½ P 34B, ½ P 28B, to next people on Waiting List.

Treasurers Report – We have one Altys bill for potatoes to pay. There are still 12 rents outstanding, we will contact these ploholders to see if they still want their plots.

John M got some prices for a Nursery Barrow which people could use for moving flags and other heavy items. We agreed to buy one, Joe will order.

It was suggested that we should buy a set of scales that can weigh in grams, the scales we have now are only in pounds. The scales could also be used for weighing marrows and onions in the show. It was agreed to buy a new scale, John M will order.

Any Other Business – We will have our first open day on Saturday 18th May.
