Welcome

From Daniel Barrington
Chairman

Welcome to our 6th Annual Flower and Vegetable Show. We started back in 2008 as a small show with only 27 classes and each year we've grown bigger and better.

This year we have included some new classes in all of our sections in the show. There's something for everyone with sections in vegetables, flowers, novice, baking, preserves, photography, junior sections and even a class for hens eggs.

We really want to encourage more of our new ploholders to enter the show. Its great fun and there's lots of people who will give you help and advice. We have a novice section which is great for beginners to try out.

I hope to see lots of entries in this years show, remember if you need any help or advice let us know.

Lets make this our best show ever!
