September 2010

Flower Show and Open Day Success

Thanks to all who helped to make this day so successful, (burgers, cakes, raffle, prize donations, plants, face painting and valuable time.

Thanks to organisers, helpers, contributors and participants and congratulations to all the prize winners. We took £727 on the day, less expenses, £247 making a profit of £480

We were also pleased to welcome councillor Jacqui Nasuh to our event

Congratulations shown to the Prize winners.

Hilary, Debbie and families enjoying refreshments

Ann and Graham admiring Novice entries.

WILDLIFE AREA– Daniel is in the process of working around the pond planting, more wildflowers to encourage wildlife and beneficial insects.

WIND TURBINE - Richie is advising the committee on appropriate measures to enable use of the turbine.

THEFT FROM PLOTS - There have been several instances of theft of produce this season. This is a very mean trick, so if you see anyone trespassing on someone else's plot please advise a committee member.

PLOT INSPECTION - The next plot inspection will be on Sunday 19th September. As there are nearly 70 people on our waiting list the City Council are taking the view that people who do not cultivate their plot should be advised they may be evicted. Anyone who has had a letter should not think that by strimming, mowing, or covering with plastic will be sufficient to pass this inspection. Cultivation of crops **MUST** be seen to have taken place.

ANNUAL GENERAL MEETING

The A G M will take place on Sunday 10th October 2010, at 11.30. Full details will be shown on the Notice Boards and all members are urged to attend this important event.

(COPY FOR NOTICE BOARDS and email recipients. If you want to be included in email contact, please give you details to a committee member. If you would like a printed version they are available for the bargain price of 10 pence from the Secretary, Lol Doyle)
